

ADOPT A RESIDENT FOR THE HOLIDAYS

Holidays can be a difficult time for many of us. For the men at Earl's Place and Prospect Place this is especially true.

So many times, we hear, "I have not received a Christmas gift since I was a little boy".

Each year the residents complete a wish list of items they need/would like to receive.

If you are interested in adopting a resident, please contact Sheila Helgerson – sheila@cchbaltimore.org or 410-522-0225.

We will send you a resident's list and you may provide the items as you are able.

The men are always overwhelmed by this showing of support and compassion and talk about it long after the holidays are over.
