

Give in Honor or in Memory: Tribute gifts support a man working to change his life.

Recognize someone special, commemorate a milestone, or remember a loved one by making a special gift in their name.

Making a gift that helps others is a wonderful way to celebrate a milestone or remember an important person in your life. Celebrating events such as graduations, weddings, promotions, retirements takes on a new meaning when you help to improve the lives of those who need support. Likewise, remembering those who have touched your life in a special way takes on greater meaning when your generosity helps those in need. Each gift is acknowledged by a card sent to the honored person or family of the deceased person in whose name the gift is being made. The notification does not include the amount of the gift.
