

## Discover the Power of Lasting Giving!

Make a lasting difference by donating to the Earl's Place Fund (EARLSP) or the Olsen-Swanson Family Endowment Fund (OLSWA).

**Earl's Place Fund:** Started in 2006 by Mrs. Kathryn Joellenbeck, in memory of Kay's brother who without a rent control apartment, would have been homeless.

**Olsen-Swanson Family Endowment Fund:** Established by Robert Olsen in 2021, this fund reflects the impact of personal dedication and Bob and Bruce's ongoing commitment to those less fortunate.

**Your Contribution Matters:** Your support will create an ongoing stream of financial help. When you add your name to our endowment funds, you create a legacy that inspires generations. Friends and family will always remember your values and commitments.

**Honoring Important Lives:** Endowment funds are also a way to honor those who have influenced your journey.
