

Help us make a house a home for our residents transitioning to their own housing!

As they take this exciting step towards independence, we're seeking donations of new or gently used items to furnish their new space. Below is a suggested wish list of items:

- Bed linens (twin size)
- Towels
- Kitchenware (pots, pans, utensils)
- Small appliances (microwave, toaster, coffee maker)
- Cleaning supplies
- Personal care items
- Home decor

Your contributions will not only provide practical necessities but also fill their new home with comfort and warmth. Let's come together to support these individuals on their journey to stability and self-sufficiency.

Thank you for your generosity and for helping to make a difference in the lives of our residents! Contact Sheila at 410-522-0225 or sheila@cchbaltimore.org
